Our courses are fast paced ensuring that we evolve with the latest trends and advancements in both technique and technology ensuring you have a strong foundation on industry standards. You will gain the insight and practical expertise that is required to become a success in the beauty and wellness industries and acquire the confidence you need to follow your ambitions and make your entrepreneurial dreams a reality.

Your beautiful future awaits.

Our goal is get you job ready fast, so that you can start working in the growing beauty industry.

Meet our educators

We employ passionate trainers who are industry leaders, bringing their depth of knowledge to the classroom. Our educators will show you the latest techniques, the newest products and exactly what is trending now. Under their industry-led instruction and professional mentoring we help our students become high-calibre graduates, who are job ready and highly employable. Many of our graduates are employed locally, while others find national or international roles, or others opening their own successful small businesses.

ABTA educators have been delivering the highest standard education in beauty therapy for over 20 years. We have specialist trainers for beauty therapy, nail therapy, spa therapy and makeup artistry to ensure you learn from the best.

Study that works for you.

We have designed diploma courses, certificate courses and short courses covering all areas of the beauty and makeup industry, to suit your individual needs and complying with the National and International syllabus to ensure your training quality is guaranteed.

However, we believe the best way to learn is on the job. You'll complete work experience throughout your course. This experience won't just get you job-ready, but it will ensure you're armed with the practical skills you'll need in the workplace.

Each subject is assessed by a written exam and/or practical exam, some subjects require completion of case studies and/or assignments. Our student spa simulates a beauty salon environment and provides beauty services to members of the public. In this environment, you are able to apply the full range of competencies against learning outcomes in a supervised environment.

Why ABTA?

- ABTA is the first and the only beauty institute in Canberra offering International qualifications (CIDESCO and ITEC).
- Located within easy walking distance of a major shopping centre and public transport and has free parking available to students.
- All courses are delivered by our highly trained industry leading trainers.
- We offer a student service and job finding service program to assist graduates to find their employment after completing their studies.
- Students are job ready armed with practical work experience during their studies.
- We offer mutual recognition and recognition of prior learning policy if your qualifications were issued by other accredited registered training organisation/s and can be verified and examined.

Enrol in 3 easy steps.

We've made it easy to start your studies, and it is as simple as three steps to start your exciting new career.

Step 1: Interview

You'll need to arrange an interview with our Student Services Manager. They will discuss the course content and fees, provide you with information about your studies and answer any questions you might have. You will need to complete an enrolment form. If you're hoping to enrol in a Diploma level program, you will be required to provide a copy of your Senior Secondary School Certificate (Year 12 Certificate) or display your competence in numeracy and reading at the Australian Core Skills Framework (ASCF) exit level 3.

Step 2: Payment Options

Our Student Services Manager will provide information about your payment options when you apply.

Step 3: Confirmation of eligibility

We will let you know the outcome of your application in writing. If you are successful ABTA will issue you a confirmation letter of enrolment, which states commence dates, duration, your Student ID number, qualifications you will achieve; training location and fee schedules. You will receive a student induction kit prior to commencement of the course. Applicants who do not meet the entry requirements will be advised of their right to appeal the decision and how to access the appeals process.

Nationally Recognised Training.

ABTA is a Registered Training Organisation in Australia. RTO No. 88178.

Being a Registered Training Organisation (RTO) means that ABTA meets the requirements set out by the National Vocational Education and Training System (VET). The System is “underpinned by the National Skills Framework.” This consists of three parts:

1. The Australian Quality Training Framework (AQTF) - this means nationally there is an agreement for quality assurance for training and assessments that are delivered by a training organisation.
2. The Australian Qualifications Framework (AQF) – a framework that is comprehensive and qualifications are nationally recognised in any training institution within the country.
3. Training Packages – these are nationally endorsed standards and qualifications which are used to recognise people’s skills and assess them for their specific industry for which they have trained.

Founded in 1946 with its Head Office in Zurich, Switzerland, CIDESCO is represented in over 33 countries. The CIDESCO Diploma is the world’s most prestigious qualification in the field of Aesthetics and Beauty Therapy. ABTA is an accredited CIDESCO school.

The prestigious CIDESCO Diploma is awarded to candidates who have passed the CIDESCO examinations and given proof of having gained at least 600 hours work experience in a beauty center/salon.

ITEC is the largest multi-disciplinary international examination board, issuing 28 professional diplomas that are recognized and respected by employers in more than 30 countries. ITEC’s diplomas are widely considered to be the highest professional standing that an esthetician can currently hold, and they are easily transportable from country to country. After extensive training at ABTA, an ITEC examiner from overseas travels to the Academy to test candidates’ theoretical and practical skills.

ITEC training allows you to fulfill your dreams of going to the top of your field, by giving you a greater understanding and instilling a greater passion for continuing education.
